

Waseca Area Foundation

## **Building on the past - Paving the way for the Future**

### **Commemorate and Participate with a Waseca Area Foundation State Street Brick**

Profits from the purchase of the bricks go directly to the community endowment fund.

SAY IT WITH A BRICK ..... Leave a permanent memory in Waseca by purchasing of a commemorative brick which will be placed in the sidewalk of the Waseca Area Foundation Circle on State Street just across from the County Courthouse.

#### **For only \$100:**

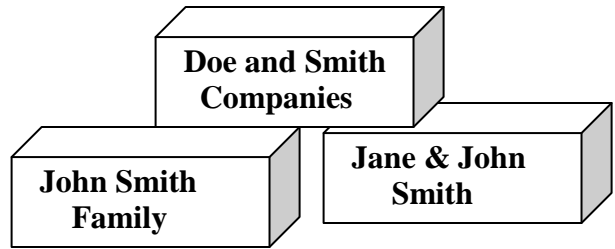

- A resident, a visitor, a business or organization can be a historic part of Waseca's downtown through this personal and permanent memorial.
- The results are two-fold: a remembrance...and a legacy of love that acts to support the quality of life we hope to sustain in our community.
- Proceeds from this fundraiser will live on through the permanent endowment fund of the Waseca Area Foundation - which will grant earnings to community projects and organizations.

Through the purchase of a brick the Waseca Area Foundation welcomes you to be a part of reaching our current short term Goal of increasing our unrestricted endowment funds by \$500,000 by the end of 2009. This will increase our granting power by \$25,000 per year.

Currently the Waseca Area Foundation Family of Funds (over 50 strong and growing) has nearly **\$5.5 Million** dollars in funds invested which are providing grants back to the community forever. Over the past 21 years the Waseca Area Foundation Family of Funds has granted over 2 million to benefit worthy projects and organizations in our Waseca area. Projects have focused on education; health and human services; arts and culture; recreation and public facilities; and city beautification.

In the year 2018 we envision \$10 Million dollars in the Family of Funds which will allow annual grants of over \$500,000 per year to local projects and organizations.

***And the exciting thing is, it will go on forever.....***
